Dr. Joshua Lederberg
President
Rockefeller Univ.
1230 York Ave.
New York, NY 10021

Dear Dr. Lederberg:

Sam 2721

Enclosed is the manuscript of our discussion on industry-university research funding agreements. Please check the text and phone me as soon as possible with any changes you would like to make. The article is tentatively planned for our Sept. issue. I will send you copies when the issue becomes available.

Thank you for taking time to help me with this.

Sincerely,

Gary L. Parr
Assistant Editor
